Brodi

A Wolf In Sheep's Clothing

From the moment we saw Brodi, we knew she had potential. Her shy, cute girl attitude couldn't fool us, not for a minute. And, just as we thought, as soon as things started heating up, Brodi proved that she might just possibly have what it takes to make the cut. That is, if our rock-hard cocks were any indication.

Clearly, Brodi kept her best assets under wraps, so we couldn't wait to see what she wasn't wearing under her naughty little schoolgirl outfit. We weren't disappointed.

Let’s just say, when it came to seeing if Brodi really knew what she was doing, there was no lack of volunteers, especially when she shocked us by wiggling her ass and pointing to her cute little asshole.

While we've seen - and tested - more than our fair share of girls, it's rare that we ever find a girl this desperate to be plugged in starfish. This is a true slut, and no mistake.

For a girl who looks this young, Brodi definitely had some experience under her belt. This lucky guy has banged some of the best in the business, and she still had him working to keep up with her moves.

So far, we'd give Brodi high marks, but the jury's still out. Give her a call and then let us know what you think.

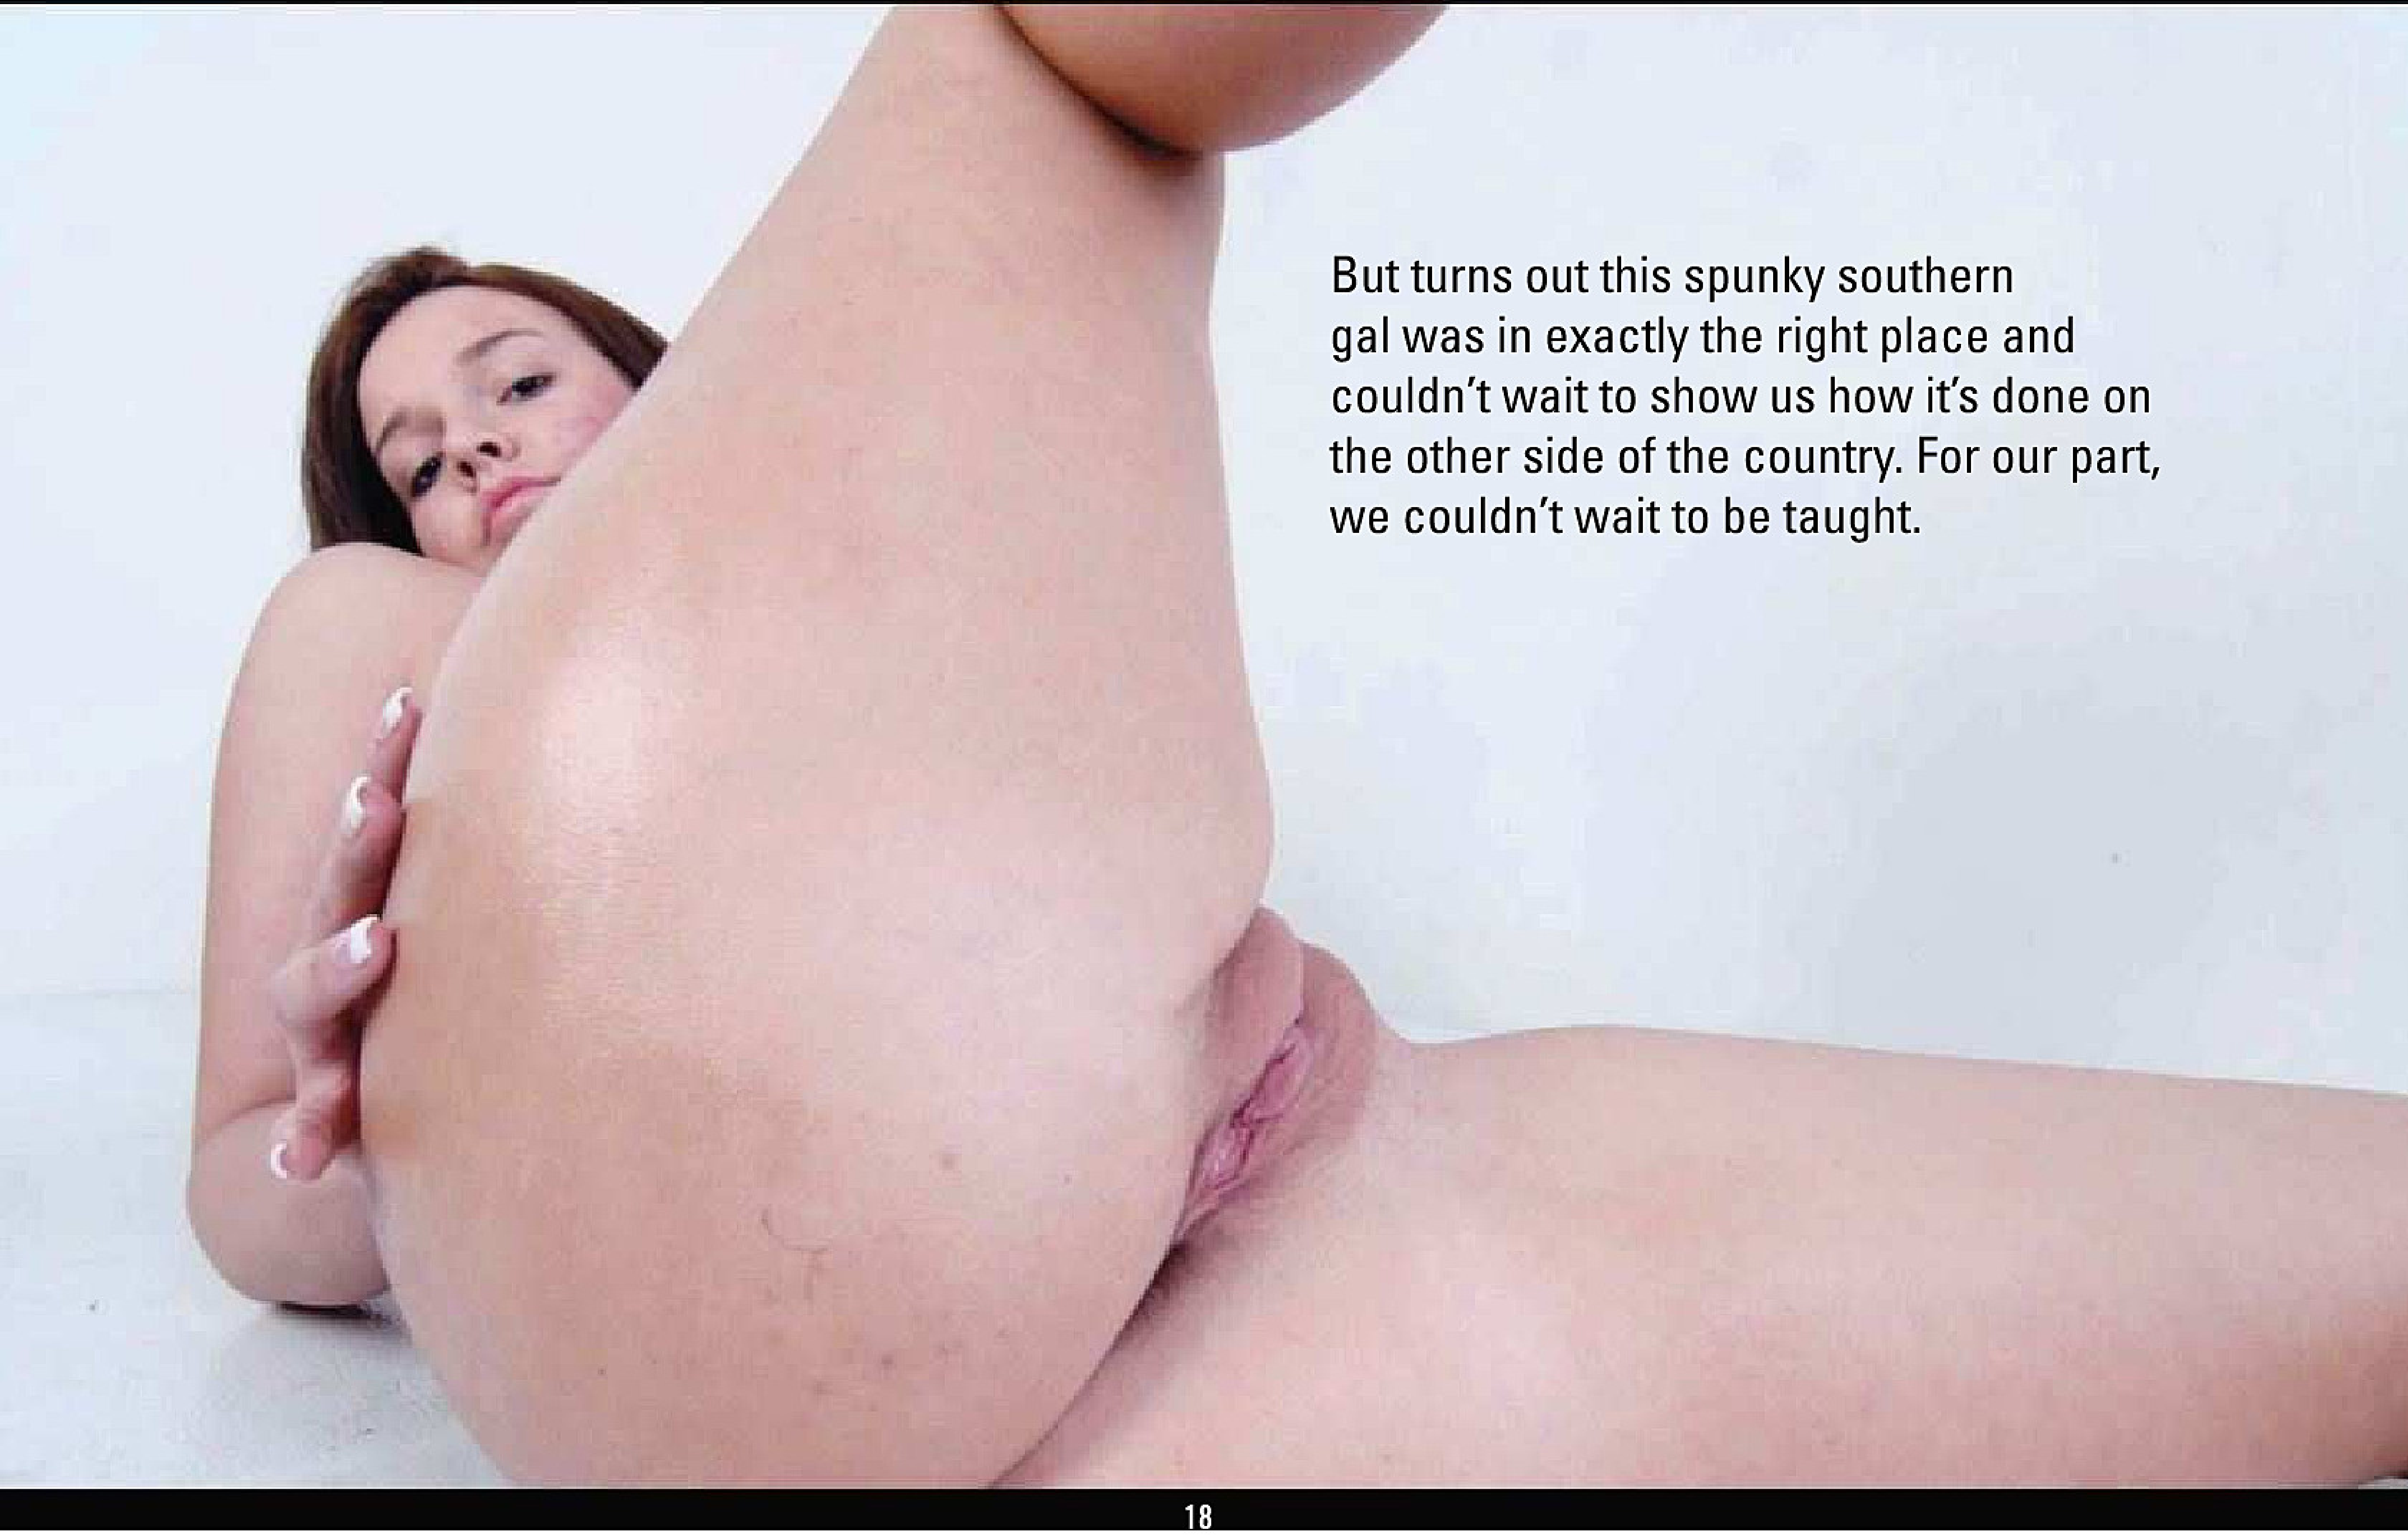
Riley

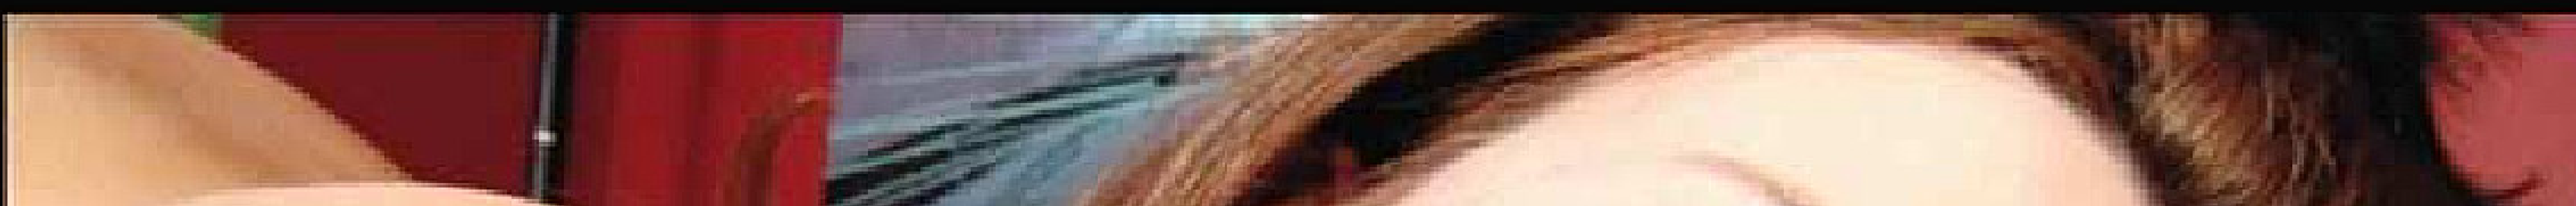
A Taste of Southern Comfort

When Riley walked in the door, we were pretty sure she'd stumbled across us by mistake. With a thick southern drawl, which sounded like melted butter, and a perfectly plumped and curved body, she looked like she should be trying out for high school Junior Miss, not for a chance at being a porn star extraordinaire.



But turns out this spunky southern gal was in exactly the right place and couldn't wait to show us how it's done on the other side of the country. For our part, we couldn't wait to be taught.

Riley wasted no time in showing that her mouth really could melt butter - or at least our resolve not to cum. Apparently they grow 'em big where she's from, because she had no trouble swallowing down every inch.



She had the juiciest looking little peach we'd ever seen, and we just had to see if it felt as good as it looked.

No disappointment here. This girl was tight and slippery in all the right ways.

Long before we were ready, she had us boiling and ready to shoot, all over her pretty little face. Good thing is we're willing to share, 'cause this is one you just have to try for yourself.

ASS WRECKER

"You fucking slut!" I yelled, pounding into Amelia's pussy. "You only took this job so you could get fucked by all the men around here!"

She whimpered, laid out on the desk on the end of my pumping cock, her red satin blouse ripped wide open, her black pencil skirt shoved up to her waist, lacy black panties pulled to the side. I had a hold of her spike heels, her legs pressed against my chest, slamming my prick back and forth in the slutty secretary.

"You want all the guys looking at you, whistling at you, fucking you!"

She grabbed up her splayed tits and squeezed them together, her green eyes glazed, wet red mouth hanging open. As I shunted her to and fro on top of the desk with the force of my hammering dong. What kind of woman would want to work at a demolition company? A fucking cock-craving slut, that's what kind! Like pretty, dewy, young Amelia fresh out of secretarial school, happily taking sledge meat up her juicy pink tunnel.

I fucked her faster, harder, smashing my thighs into her butt cheeks, cleaving her cunt with my axe. Her tits and body shuddered to my driving beat. She rolled her head around on the desk, strands of shiny auburn hair lashing her face. She was out of it, deep into the fucking, not caring who saw her, or heard her. The hour was late, the office dark.

"God, yes!" she screamed. "Fuck me, Roy! Fuck me!"

I gritted my teeth and hung onto her heels, absolutely ramming the hot-pussied bitch. Her skin was a tawny olive color, sheened with sweat. Her upraised legs quivered all on their own, the swollen lips of her shaven pussy sucking on my pistoning prong.

"You want it in the ass, too, I bet! Don't you, slut!?"

Her eyes widened, hands tightening on her jugs. She bit her plush lower lip, and anxiously nodded.

I was already out of her cunt, my cock stretched hard, slick with the slut's juices. I greased it some more with the lube I carry, then her asshole, shooting my fingers in between her soft, trembling butt cheeks and scrubbing.

She grabbed onto some bound reports lying on the desk and shoved them under her lower back, raising her butt to me. The bitch in heat!

Her taut thighs pressed back into my chest, her slender ankles hooking onto my shoulders. I grinned down at the girl young enough to be my daughter, gripping my dick and playing the bulbous tip all along her silky smooth crack, in between her cheeks.

Then I gathered her plush buttocks together over my cock, creating a hot, fleshy tunnel and sawing back and forth, frotting the slut. She gripped her jugs and kneaded the heavy masses, spun the taut tips with her nimble fingers. My dick glided up and down her butt cleavage, shaft buried between the piled-up cheeks, cap peek-a-booing out the top.

It was hot as any titty-fuck, even more wanton. My balls flapped against her rump, tight and loaded with cum, cock churning her crack. She jerked her head up and flung the hair out of her eyes and screamed, "Fuck my ass! Please, stick your cock right inside my ass and fuck me!"

Anything, for a slut. I dropped her cheeks and shot my hood up against her butthole, rammed back and forth for a bit, testing the pucker, building the pressure.

She moaned, legs and body spasming. I squished my bloated cap hard against her starfish. She whimpered, writhed. I punched through her ring, into her anus.

"Oh, God, Roy! Yes! Fuck my ass!" she shrieked.

I plowed long and hard into her chute, sinking every inch of shaft into her bung. My balls kissed up against her trembling butt cheeks, cock buried, slut porked. Her ass was even tighter, hotter than her twat. I grasped her thighs and let my dong surge in the gripping warmth, locked down in the girl's butt. She shook so hard the desk rattled.

I shifted my hips, fucking Amelia's ass tunnel nice and slow and painfully erotic. My balls boiled with seed, watching my cock glide back and forth in the slut's chute, feeling the wanton squeeze of her sphincter muscles. She clamped her tits and rolled her jutting nipples, staring blindly up at me, overwhelmed by sensation.

And then she shivered, a mini-orgasm rippling through her sexy body. I torqued up the tempo, pumping faster, pile-driving her ass. I was shaking with my own wild lust, close to spraying the bitch's bowels.

She tore a hand off a tit and plunged it down onto her pussy. She hit hardened clit, and went off with a scream that almost took the roof off the sex-funked office.

I sawed her chute, reaming, wrecking the slut's ass. She flopped around on the desk in total ecstasy. I jerked, blasted searing semen into her dirtbox. We were both fucking blown away by our brutal orgasms.

"I-I'd better be getting home," Amelia gulped, after putting herself back together.

I slapped her skirted ass. She winced, with pleasure. "Yeah, I gotta finish cleaning these offices, anyway. They aren't paying me just to fuck the slutty secretaries."

Jessy

The Eager Beaver

Jessy is one of those special girls who just seem to ooze sex. It doesn't have to do with how pretty she is, or how smart she seems, she just gave the impression that if we got her in the sack, she'd leave us tuckered out and drained. Lucky for us, we got to test our theory right away. You can see for yourself if we were right or not.

She wasn't shy about showing off all she had to offer. This is one pussy that's definitely worth a closer look.

Jessy admitted that she had trouble finding guys her own age who could give her what she wanted. As she quickly found out, we were up for the challenge.

Just to make sure, we give her all we've got. Just watching, we could tell this was more meat than she was used to handling, but she took it all with a grin.

This girl knew how to handle herself and was soon writhing around like she hadn't been fucked in weeks. This girl wanted it, and she wanted it bad.

神經病

And to top it all off, she swallows. This slut is hot to trot, and just looking for someone who can give her what she needs. That someone might just be you.

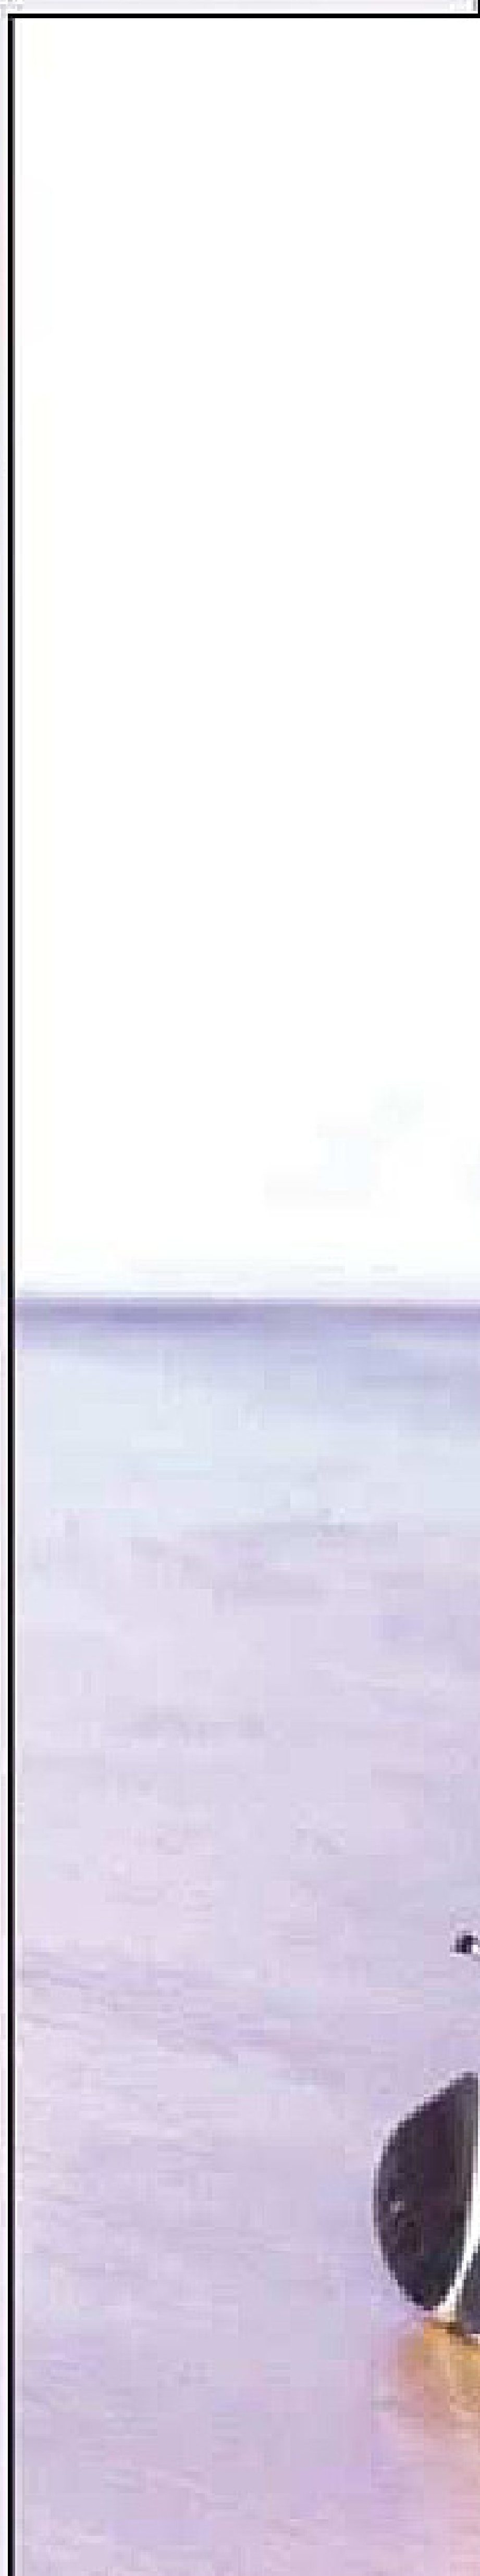
Holly

Beauty Queen's Fall From Grace

It happens all the time and count yourself lucky that it does. Holly was in the news recently for winning her local beauty pageant and then having to give it back once some naughty little sex tapes surfaced showing her in all her sexual glory. Oh well, that's mainstream's loss, as this luscious beauty has decided that porn is what she'd rather do anyway. Yu still get the exposure and the accolades, plus you get to fuck all the time. Please welcome America's newest porn star.

No stranger to the camera, this girl just oozes sexuality and sluttiness.

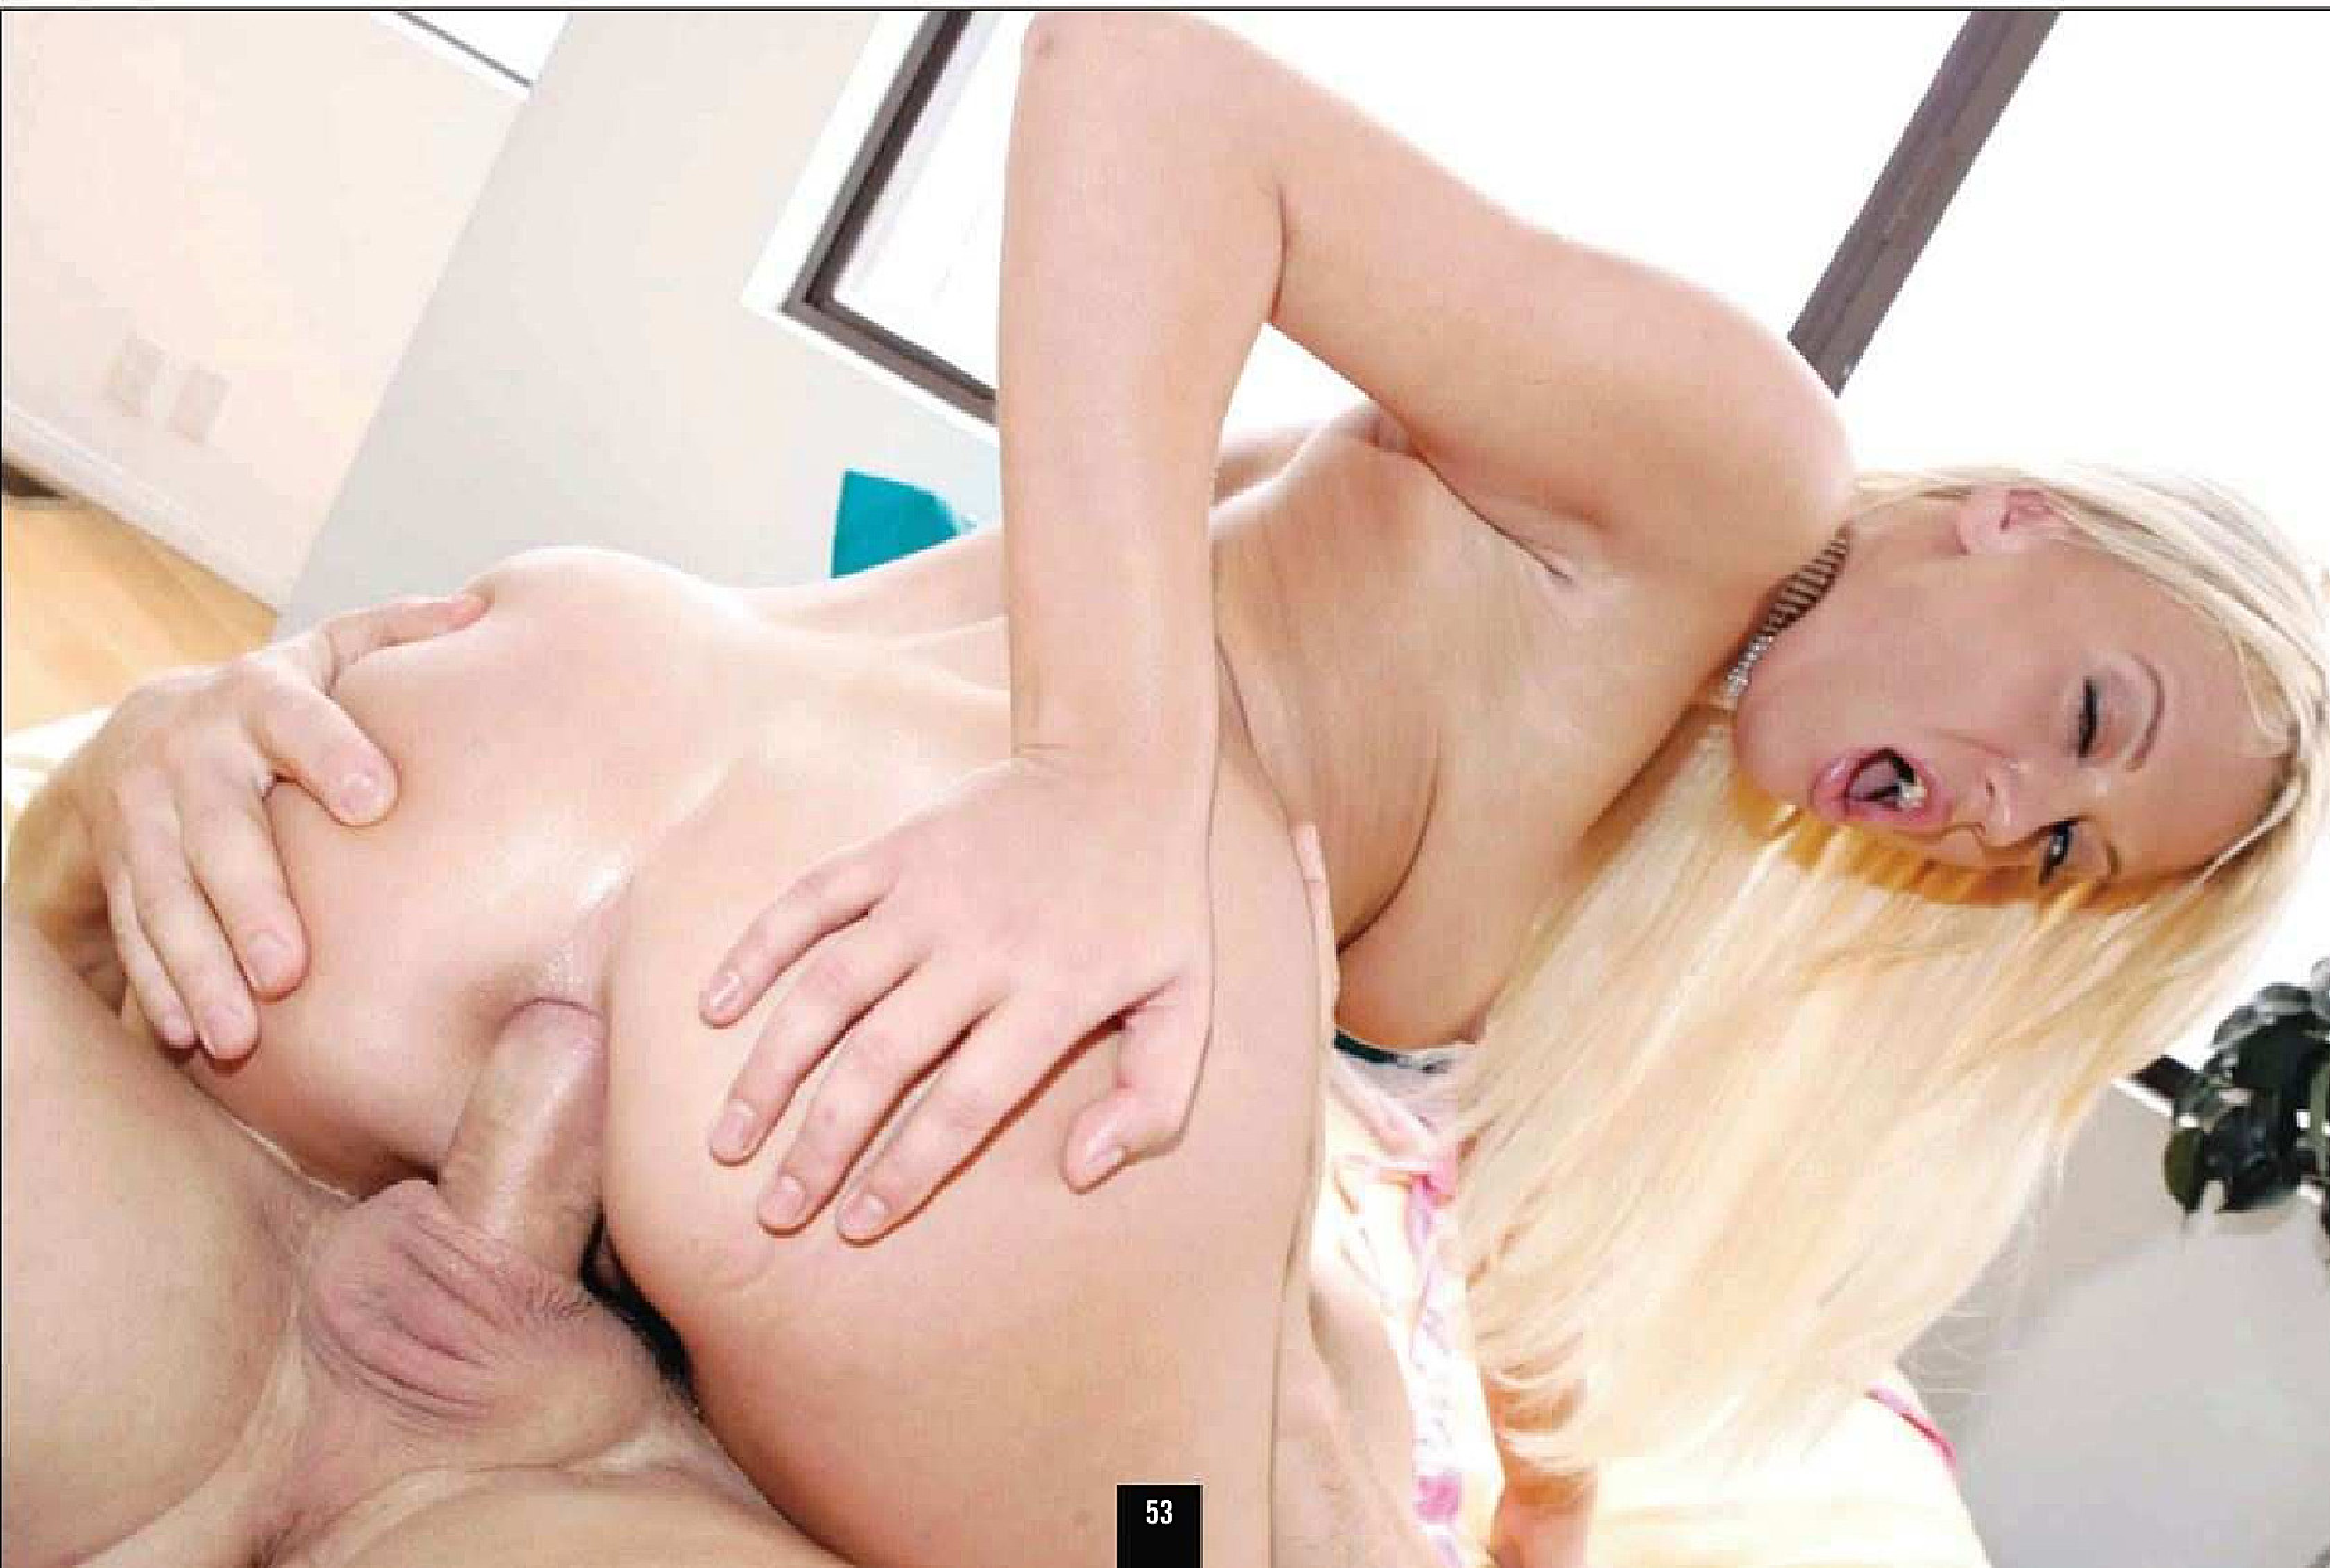


Is there anything sexier than seeing a pair of sparkling blue eyes while she's got your cock in her mouth? We didn't think so.

Sure there'a a ton of beautiful girls out there but not many that combine those looks with a ravenous appetite for fucking.

Anal her first time out! It doesn't get any better than this. The total package of beauty meets the beast.

She learned ong ago that you have to work hard to get to the top and she’s brought this admirable trait to her new chosen profession.



Wanna fuck a beauty queen?

Daisy & Mischa

Two in the Bush...

Daisy and Mischa decided to bank on a double-whammy. These two know that there are plenty of hot bodies and pretty faces out there - what they have to bring, if they intend to make it big, is a sense of adventure. Well, if adventure is what you're after, these two have all sorts of tricks up their sleeves. Honestly, once these feisty girls got started, we didn't know what hit us. Talk about crazy girl on girl action - after only a few seconds with these two, there wasn't a soft cock in the room.

Now, we've seen plenty of girls who play at lovin' it up, but these two were really into each other. And by really, we mean they just couldn't keep their hands off each other. For once, we were perfectly happy sitting back and watching them play.

These gals came prepared, with a bag of their favorite toys. Well, heavens, if they want to show off, why not let them?

Man, if this isn't horn-making material, nothing is. Can you imagine just how hard it was to keep from giving them a real shafting?

And just when we thought we'd seen it all, they pulled out even more toys. Soon, these two were stuffed in every damn hole, and yet, you could tell they still wanted more.

Obviously, it takes a lot to please these two; they're just waiting for a real man to show them how it's done. Make sure you get these two, 'cause, as they say, two is better than one.

OUT OF BOUNDS

"You're the worst student I have, Kyra." She rolled her big brown eyes, wrapping a strand of glossy black hair around one of her slender fingers and bobbing one of her slim, crossed legs. "So? You kept me after class to tell me that?"

I glared down at the girl seated at the student desk. She was dressed like a slut in a pink tube-top and white ruffled micro-skirt, her smooth, dark limbs gleaming under the classroom lights. Her face was tarted up with heavy make-up, pouty lips painted wet red and shiny.

"There only seems to be one way to get through to a girl like you." I unzipped my pants and pulled out my cock, shoved the bloated cap against Kyra's lips.

She grabbed onto my dick, digging her long, red talons into my swollen shaft. Her teeth flashed bright white, sinking into the meaty head of my hard-on.

"High school slut!" I groaned, feeling her bite, her heat.

She rolled her eyes up at me. They still registered boredom. As her fingernails scraped my shaft in a lethargic pumping motion, her teeth grating back and forth on my hood.

"Not interested in improving your grades, huh?"

I grabbed her under the arms and jerked her out of the desk, pushed her over to the blackboard. "Here's one lesson you might actually understand," I rasped, yanking up Kyra's skirt and plunging my hard cock straight into her juicy twat.

Her fingernails grated on the blackboard, raking the day's history lesson away, as I slammed in and out of her blatantly shaven cunt. She was pink-hot, wet as any teenaged Jezebel. I smacked her pert little black buns with my hand, plowing her slit with my prick.

She looked back at me with disinterest, blowing a huge pink bubble. I whacked her ass harder, pistoned her cockpit faster. She bounced back and forth on the end of my hammering prong, butt cheeks rippling. I stuffed my sweaty hands up her tube-top, popping the skimpy garment off and grasping her taut tits barehanded. I twisted her jutting, coal-black nipples, ramming her cunt with a vengeance.

The blackboard rattled against the wall.

Kyra spat her wet wad of chewing gum into my face.

"Bottom of the class bitch!" I growled.

I pulled out of her sucking twat and dragged her over to my desk. I sat down in my chair, gripping my upthrust, pussy-slick ruler with one hand, Kyra's tiny waist with the other. I sat her bubble-butt down on my cock.

The girl's night-shaded starfish spread, swallowed my bulbous hood. She whimpered, finally. I plowed shaft up her dirtbox, pulling her deeper into my lap. She plopped right down, my cock plugging full-length into her hot, gripping butt.

She grinned back at me and shuddered her booty, her ass muscles squeezing my dong vise-tight.

"God, you are a slut!" I groaned, my cock burning in Kyra's oven-hot chute.

"And you're nuthin' but a dirty old teacher," she retorted, bouncing on my pole.

I grabbed onto her bared tits again, pumped my hips again, fucking the searing pink tunnel of the girl's anus this time. The chair scraped and creaked, our breath huffing in rhythm to my thrusting and her bouncing.

She hooked her legs up onto the desk, stuck them straight out on top, gripping my thighs with her hands and leaning back into me. The gymnastic position put even more heated pressure on my ass-buried cock, Kyra's butt cheeks clenching still tighter. I gritted my teeth and drove headlong up the girl's chute.

The empty classroom echoed with our grunts and groans, the rattling of furniture and smacking of skin. My hands shook on Kyra's tits, fingers locking her rubbery nubs in twin deathgrips. Her nails dug into my thighs, her body raised almost horizontal, bowed at the butt, jumping with each anal stroke of my pipe.

"Fucking little class slut!" I bellowed, suddenly spasming, blasting white-hot sperm into Kyra's quivering black ass.

She shuddered her own ecstasy as I sprayed her chute, fingers flying on her clit.

She milked me dry with her impudent bottom.

I was holding her close in my lap, both of us gasping for breath, my cock still embedded in her bum, when we heard shuffling footsteps out in the hall. I barely had time to shove Kyra under my desk and pull up my chair, before George, the janitor, stuck his head inside the classroom.

"Evenin', Mr. Manfredy," he said. "Did your wife find you? I let her into the school 'bout a half hour ago."

I nodded. As Kyra stuck the cock that had just been up her butt into her mouth, and sucked earnestly on it, playing with my balls. A quick study, after all.

-Emilio Manfredy'

One look at Kayla and we knew this was a girl who was just itching for it. She walked into our offices with barely a stitch on her body, curves from here to Tennessee. From the first time she licked her lips and crossed her legs, we knew we were in for a treat. If her take-me attitude was any indication, this was a girl we wouldn't soon tire of.

Kayla

Give it to Me Harder & Faster

When we asked her to show us what she had on under her teeny-tiny skirt and tank, she lost no time shedding threads and spreading holes, ready for inspection.

Now, with a girl this saucy, we'd feel remiss if we didn't take full advantage. After all, she was here to prove that she has what it takes to make it to the top. Let's see if the walk lives up to the talk.

Turn about is fair play, and we didn't hesitate to taste her juiced up snatch. Even her musky little asshole was nice enough to eat.

When it came to the actual physical, Kayla passed with flying colors. In fact, she just kept screaming, asking that we give it to her harder and faster. Seems there was nothing this girl couldn't handle.

Now, she's had all we have to offer and still, this slut wants more. If you're up for some fun, we'd give her two thumbs up. Go on, give her a call.

888-712-1661

Megan

Tag-teaming Temptress

From the first time we met Megan, we knew she'd be a feisty little thing. One look at her, and it was obviously she was up for a good time. Not only that, but she had this deceptively innocent twinkle in her eye, that we were dying to subvert.

Megan was a tease with a capital "T." She knew she was smokin', but she wasn't about to give it up too easily. This was a cunt worth working for.

Just to show her we don't take no guff, we gave her a double-dose. From the glean in her eye, it seems like this is exactly what she expected.

She seemed no stranger to tag-teaming, and, in fact, seemed to be doing her best to prove that she was no novice when it came to cock.

This girl's facade is just that: underneath, she's a total nasty fuck-slut.

Now that she's primed, she's just begging for more. We're drained, but what about you?

Words To Get You Off

GUYS AS DOLLS

She caught me at it. I was elbow-deep in Annabelle's underwear drawer, feeling up her soft, shiny panties, her sexy, lacy bras and smooth, silky stockings, when she walked in on me.

"What the-!?" she gasped.

See, I wasn't just fondling her undies and lingerie, pressing them up against my nose and rubbing them all over my face. I was also wearing some of them – dressed up in a pair of pink hip-hugger panties and a satiny pink demi-bra, a pair of ice cream white stockings and four-inch red leather spike heels. I was stark raving naked except for her intimates, my butt and chest bulging out her panties and bra, shaved legs almost splitting the back-seams on her stockings.

I stared at the tall, pretty brunette, red-faced and handed and cocked, tottering in her crimson heels. My hard-on peeked out of the elasticized top of her panties, shaft outlined in sensuous lace. "I was just …" There was no explanation I could give.

"I can see what you were doing," Annabelle said, looking me up and down, all dolled up. "You dirty slut!" she hissed.

Her violet eyes had narrowed and her nostrils had flared, her red lips pressing together, high, firm tits in her top rising and falling more rapidly.

I could hardly believe it – she was as turned-on as I was!

She walked over to me and grabbed me by the back of the head, slammed her mouth into mine. Treating me rough, like the filthy whore I was, all tarted up in her blue eyeshadow and black eyeliner and red lipstick. She forced her tongue into my mouth and thrashed it around my tongue.

Then she abruptly pulled back, slipped in behind me, grabbing onto my bra and my pecs, pressing her hot, throbbing body against mine. "Pretty baby!" she breathed in my reddened ear. Before biting into my lobe, swimming her tongue right inside my ear and squirming it around, her hands clutching my cupped chest, pinching my nipples through my bra.

I tilted my head back and groaned. She kissed my neck, licked my shimmering skin, her hands sliding inside my bra and grasping my bare pecs, rolling my rigid nipples between her fingernails.

"Yes!" I moaned. She could do whatever she wanted to me. I was her slut, to fondle and fuck. I trembled with excitement.

She undulated her pelvis against my pantied rear-end, grinding her pussy into my cheeks, biting into my neck at the same time. Her left hand glided down my chest and stomach and onto the pulsating length in my panties. She gripped and rubbed my straining erection, sending me up onto my toes in my high heels.

Annabelle bumped against my butt like she was fucking me, rubbing and rubbing my cock, pulling on my nipples. I bounced in her arms, her hands, the weird, wonderful sensations driving me wild. "You are a fucking slut!" she rasped. "And I'm going to fuck you, slut!"

She dropped her other hand off my chest and down in between us, onto my bum. Her fingers plunged into my panties, down my crack. "Oh, God!" I gasped, knowing what she was going to do, and wanting it badly. She slid a finger up against my asshole, pressed into my pucker, pushed inside me. "Yes, fuck me!" I cried, her digit sinking deep into my anus, swelling me with feeling.

She forced a second finger inside, stretching my virgin chute. And then she pumped, finger-fucking my ass, her other hand on my cock, pumping in rhythm to her pounding digits. I arched back against her, trembling wildly. "You want it! You love it!" she filled my burning ear with dirty-talk. "Dressing up like a slut and getting fucked like one!"

I shut my eyes tight and bit into my lip, head jerking up and down in response to her voice, and actions, body getting jarred. She rammed my ass with her fingers, churning my chute. As she fisted my cock through my panties, pulling me to the edge.

Annabelle sunk her sharp teeth into my neck, plunging my butt, tugging on my boner. Then she suddenly pressed my dick down flat in between my shaking legs and jerked her fingers out of my ass and gripped my cock from behind. I bowed with sheer sexual abandon, my ass gaping empty and open and aching, cock getting pulled unmercifully, shot full of sensation.

She yanked me so far back she almost stuffed my own prick up my ass, cleaving my balls in two with the bent rod. She bit into my shoulder, my neck, craned her head around and swarmed her tongue back into my wide-open mouth. Her other hand sailed back up onto my chest, into my bra, fingers plucking at and pulling on buzzing nipples. It was beyond my wildest fantasies. I trembled out of control, ready to explode right up my own ass.

Annabelle sensed it, and let go of my cock. I gasped for air, my dick springing back into the front of her panties. She rammed her two fingers back into my ass, clutched my dick and pumped madly. I grabbed up my braed breasts and cried out in sweet sexual agony.

"Come in your panties, you fucking slut!" she screamed at me, jacking burst after burst of joy out of my cock. Her fingers flying in my anus propelled my ecstasy to a whole new level.

Annabelle buys all of my underwear and lingerie now, dresses me up herself. As she likes to say, she's got great taste, in clothing and men. And clothing men like women, I'd gratefully add.
